What makes it a regional business services partnership?

Includes members of:

- Job Service
- Fox Valley Workforce Development Board
- Office of Veteran Employment Services
- Division of Vocational Rehabilitation
- Technical Colleges – FVTC and MPTC
- Bureau of Apprenticeship Standards
- LETC – local WIOA Provider
- Forward Services – local W2/FSET provider
- DOC – Community Corrections
- Area Chambers – FDL, Oshkosh, Fox Cities

What is our purpose?

Mission Statement:

- The Regional Business Services Partnership works collaboratively to leverage community resources to provide demand - driven workforce solutions

True North Statement:

- The Regional Business Services Partnership will support the economic vitality of our community through the sourcing and upskilling of the workforce

Everyone is a Business Services Rep

Philosophy of “No Wrong Door ”

Business enters the workforce development system through a variety of doors.

Any contact should be able to provide positive, marketable information and pass on to a dedicated business services consultant.

Members of business services team communicate regularly with staff who focus on job seekers to ensure they are able to provide a good first contact.

How do we stay connected?

Monthly Regional Meetings

- Long-range, strategic initiatives
- What do you know? How can we partner?

Weekly Brief Meetings

- Immediate employer needs – who's hiring?
- Staff working with job seekers are invited to attend

Business Services Facilitated Events

- Collaborate to Succeed
- Fond du Lac Job Fair
- Oshkosh Area Employment Fair
- Public Service Forum
- Apprenticeship Tours for HS Students
- Employer Recruitments

Collaborate to Succeed⁵

2020: Vision for the Future Inspired by the Past

Does filling your talent pipeline seem like ancient history?

A showcase of Fox Valley employers' best practices centered on the themes of attracting, hiring, developing and retaining talent.

- 5th year
- 35-50 Employers Reps
- The employers are the presenters!

Celebrate National Apprenticeship Week!

IS AN APPRENTICESHIP TRAINING PROGRAM YOUR SMART CAREER PATH?

- Do you like to work with your hands?
- Do you enjoy moving around rather than being stuck behind a desk?
- Do you learn better by doing things rather than in a classroom?
- Do you want to make money while learning new skills?
- Do you enjoy using state-of-the-art technology?
- Are you mechanically inclined, like to fix things, problem solve and see the results of your labor?
- Are you interested in a career choice where you can learn new skills, earn a great wage and not be burdened with significant student loan debt?
